

EARLY DISMISSAL

Please sit down and discuss with your child what to do in case of an early dismissal from school, such as: How do you get home? Do you take the bus as usual? Will your regular ride be coming to pick you up? Do you walk home as you usually do? Will someone else be picking you up? If so, who will? It is **extremely important** that you talk with your child regarding this procedure!

Thank you very much for your time and effort. We want all of our children to get home safely, without worry, and with as little stress as possible on all of our parts.

NOTE: For an update on school closings and cancellations, please check the school website www.chilton.k12.wu.us. You should be notified by the schools "Alert Now" system for all closings and early dismissals.

I have spoken with my child and he/she understands how he/she is to get home from school in case there is an early dismissal, due to the **weather conditions**, or any other emergency.
