

Student Self Management
The “*Tiger Knowledge, Enthusiasm & Compassion Values*” Protocol

The core of Chilton high School’s vision for student self management is a belief in the worth and dignity of each student and a desire to keep the culture of Chilton High School centered around the *Tiger Knowledge, Enthusiasm, & Compassion Values* of Respect for Self, Respect for Others, and Respect of our School. Respect for self, others, and our school is foundational to a school culture that maximizes each individual’s right to feel safe at school, to feel free to be true to one’s individuality, to have clean and functional facilities, and to have the opportunity to experience success at school. The *Tiger Knowledge, Enthusiasm, & Compassion Values* are found in all areas of our building in the following key ways:
