Parking Permit Fees:

_____$50.00 annual charge (no matter how many vehicles the student wishes to register)

_____$25.00 if permit is purchased any time during 2nd semester (Ex: Sophomore first getting their license)

- IF you have any outstanding school fees from previous or current school year(s) a parking permit will NOT be issued.
- Students may not park on school property without registering their vehicle(s).
- Student vehicles are restricted to the student parking lot and their assigned parking spot during the school day. Any deviation from parking in the assigned spot may result in revocation of parking privileges.
- Vehicles are off limits to students from 7:51 AM to 3:15 PM unless permission is granted to access a vehicle by the Dean of Students or Principal by checking in through the office prior to going out to the parking lot.
- All student vehicles registered and parked upon the property of the School District of Chilton are subject to search at any time upon request of school officials. Through signing this registration application and/or the Student/Parent signature sheet of the Student/Parent handbook, the student, parents of the student and owner of the vehicle consent to a search of the vehicle at any time upon request of school officials. Any refusal to permit a search of a registered vehicle parked upon school district property will result in permanent revocation of registration and parking privileges, together with a referral to law enforcement authorities.
